

Blazing Saddles

San Francisco, CA | New York, NY | blazingsaddles.com

Employer Description:

Blazing Saddles Bike Rentals and Tours, a family owned and operated company, started in San Francisco's Fisherman's Wharf over 30 years ago with a single idea: to share the unforgettable experience of biking over the Golden Gate Bridge. Since then, Blazing Saddles has been the leader in providing groups and individuals a fun and unique sightseeing experience. With locations in San Francisco and New York – from Central Park to Golden Gate Park – we've got you covered coast-to-coast. Blazing Saddles has the friendly, knowledgeable staff, and the perfect bikes to get you ready to roll on the ride of a lifetime.

Our main priority at Blazing Saddles is that customers come away from a day on our bikes feeling they have experienced the very best San Francisco or New York City has to offer. With the largest fleet of rental bikes in California, we are equipped to provide bicycles for an extremely wide range of customers - anyone from the novice to seasoned rider. Our selection includes the most popular comfort bikes, tandems and kids' bikes. We also have specialty bikes for those interested in more advanced riding.

What We Are Looking For In An Employee: We are always looking for enthusiastic, energetic people to join our team! At Blazing Saddles, our ideal candidates will be high-energy people who are excited to share everything that our beautiful city has to offer with visitors and locals alike. San Francisco is a very bicycle friendly city and encouraging customers to enjoy our city's views, restaurants and beautiful bike paths while riding one of our bicycles will be your daily mission! We need unique individuals with exceptional communication skills for interaction with the public. You must be able to think on your feet and move them at the same time! Bicycle knowledge/experience is great if you have it, but not necessarily as important as a happy, outgoing and fun personality. Our team members will be on their feet all day long, working outside at different locations throughout the city.

We offer a great working environment, excellent benefits, and competitive wages. If any of the job descriptions below sound like they could be a good fit for you, please fill out the web form below with a couple sentences about how your past work experience and your outgoing personality will make you a great fit for our business. There's also room to attach your resume if you'd like.

Area Descriptions:

San Francisco is a major city in California, the centerpiece of the Bay Area, well-known for its liberal community, hilly terrain, Victorian architecture, scenic beauty, summer fog, and great ethnic and cultural diversity. These are only a few of the aspects of the city that make San Francisco one of the most visited cities in the world.

New York City has a population of approximately 8.2 million people. The New York Metropolitan Area, which spans lower New York, northern New Jersey, and southwestern Connecticut, has a population of 18.7 million, making it the largest metropolitan area in the U.S. As of 2014, it was one of the 15 largest metro areas in the world. New York City is a center for media, culture, food, fashion, art, research, finance, and trade. It has one of the largest and most famous skylines on earth, dominated by the iconic Empire State Building.
